

Scholarship Application

North Dakota resident students may apply for either the Academic Scholarship or the Career and Technical Education Scholarship. Applications will be accepted from January 2 - June 2, 2017.

Applications may be submitted online at:

<https://apps.nd.gov/DPI/scholarship/login.aspx>

Students who are eligible for the Career and Technical Education Scholarship with the scores earned on the WorkKeys assessments must send a copy of their score reports to the ND Department of Public Instruction.

Notification of award will be sent to students via email by June 30. Upon receiving notification, students must log in to the application site and either accept or defer the scholarship by July 15.

The total value of the scholarship is \$6,000 with a payment of \$750 per semester or \$500 per quarter. Students not attending a ND college or university in the fall may defer payment until the time of attendance. The payment will be available during the six years following high school graduation. Students must be attending a qualifying institution in North Dakota to receive payment.

Scholarships are automatically renewed provided the student is enrolled full time (12 credits the first two terms and 15 credits each term thereafter with few exceptions) and maintains a cumulative 2.75 GPA reviewed each term. Students may use the funds for graduate studies in North Dakota.
